

911 Stakeholder Outreach Forum – Q1 2024

Tuesday, January 30, 2024 - 9:00 a.m. to 3:00 p.m.

Saint Cloud State University, Atwood Memorial Center
651 1st Ave South, St. Cloud, MN 56301

The Minnesota Department of Public Safety, Emergency Communication Networks division (DPS-ECN) hosts quarterly '911 Stakeholder Outreach Forum' events to educate and inform Minnesota's 911 stakeholder community regarding a wide range of topics related to 911 operations and technology.

Agenda:

- AM Session: Recap of 10.02.23 Meeting
- AM Session: 911 Program Updates
 - 911 Technology Procurements (Mapped ALI, Core Services, etc.)
 - 911 Projects (911 System Interoperability & Data Sharing, Cost Recovery, GIS Data Collection, Cybersecurity, etc.)
- PM Session: Q & A with Mission Critical Partners re: PSAP Engagement Roadmap for NG911 Transition Planning

Who Should Attend?

- PSAP leadership and Public Safety Telecommunicators (PSTs).
- IT and GIS professionals tasked with supporting PSAP technology and operations.
- Executive leadership responsible for overseeing the operation of Minnesota's PSAPs.
- Representatives from the state's public safety professional associations.
- NG911 Committee representatives from the Statewide Emergency Communication Board (SECB) and the state's seven Emergency Communications/Emergency Services Board regions.
